1. The State Authorization Bill has cleared House and Senate Conference and is ready for floor action. The bill contains several sections pertinent to embassy security, employment of foreign nationals, travel restrictions, construction of U.S. embassy facilities, restrictions on Mount Alto, etc. These sections are: 137, 151, 152, 153, 155, 156, 157, 158, 159, 160, 161, 162, and 163. Attached is the full bill. The sections noted can be found on pages S11301 to S11305.

2. I ask that you familiarize yourself with these sections so that when we meet tomorrow we will be able to quickly agree on what position the Agency should adopt. I am also attaching a draft paper which identifies those provisions where we have an agreed upon position. We will meet tomorrow in Room 7B-02 at 0830.
